COMMITTEE REPORTS

DNR (weekly news update dnr.wi.gov)

September 22, 2021 NRB meeting canceled. DNR advised they would "boycott" the meeting. The DNR did not have items requiring consideration by the NRB and will not propose agenda items. Therefore, DNR would not be in attendance or supporting the meeting. In the history of the NRB the DNR has never made such a decision. Wincek has contacted Gunderson from the SE District of the WCC and asked him to contact Officers of the WCC to further investigate this matter.

Kids Fishing Clinic

DNR hosting two fishing clinics, one in Feb. 2022 and one in April 2022.

Conservation Congress

Great Lakes Committee has a zoom meeting on Monday, Sept. 20. One of the items for discussion is that the Commercial Fishing Board wants to start harvesting lake trout from Zone 3 of Lake Michigan. U.S. Fish & Wildlife have reported that the lake trout population has not fully recovered.

Waterfowl Convention held in Oshkosh had 2700 people come through. Planned again for next year. Supported by WWA, DNR, Ducks Unlimited and many more clubs.

Scholarship

No report.

Wisconsin Wildlife Federation

Wincek still has 3 calendars left. George Meyer is happily retired and Mark LaBarbera is beginning to feel the pressure.

OLD BUSINESS

The Habitat Shoot was August 28 at Wern Valley. 39 shooters. Money raised was down this year.

Diedrich has re-typed the 2002 By-Laws and Constitution into the computer. Committee members are: Shook, Daluga, Farchmin, Frasier and Diedrich.

Articles of Incorporation will need to be filed, but have to have By-Laws attached.

NEW BUSINESS
